## MRS. TOLL TO SPEAK BEFORE WOMAN'S CLUB

Progress Club Members  
Also To Be Present  
Thursday

Mrs. Charles H. Toll, dearly loved  
president of the district federation,  
who comes bearing messages of love  
and inspiration, will be the principal  
speaker for the Woman's club Feb-  
ruary 14. Mrs. Isabelle Henderson  
will talk for a few minutes on the  
plans and problems of the building  
committee.

In order to give the women of Tor-  
rance a better understanding of the  
ideals and principles of the Progress  
club of Torrance a representative  
from that organization will speak to  
the members of the Woman's club.  
This meeting gives promise of being  
the most important of the year. The  
place—music room of the Torrance  
high school; time—2:30 sharp. All  
women interested in club work are  
invited. There is to be an intermission,  
during which a reception will be held  
for Mrs. Toll and refreshments served.  
Members of the executive board and  
the building committee will give a  
luncheon at 12:30 February 14 at the  
McKinley Inn in honor of Mrs. Charles  
H. Toll. Mrs. Charles Stock and Mrs.  
Frank Sammons, past presidents of  
the Woman's club, will also be guests  
on this occasion.

Myra Nye and her assistant, Miss  
Katherine Lipke, addressed the district  
federation press conference in Los  
Angeles February 6. Winifred Bar-  
nard, press chairman of the Woman's  
club of Torrance, and Mrs. Willis  
Brooks were present, receiving some  
very instructive information in re-  
gard to press work.

### THE FARMER'S LAMENT FROM PENNSYLVANIA

It's holiday season, the weather is  
freezing

And snow covers all of the ground.  
Everything in a flurry, with trouble  
and worry,

No joy on this place can be found.  
Some things I will mention that cause  
dissension,

Also cause a wall of despair.  
It sure takes a hero, the weather is  
zero,

And all of the stock need their care,  
The water is boiling, the family all  
tolling

To thaw the pump handle that's  
froze in the well.

The barn door is creaking, the milk  
pail is leaking—  
I would give the whole farm just to  
rest for a spell.

My family is pining for a sun that  
is shining,  
And they want to sell out and go  
west

Near the grand old Pacific where  
things grow prolific—  
I think I'll give Torrance a test.

I just got a Herald from my brother  
Gerald,  
Who works in the Oil Field out  
there.

He writes in a letter we could not  
do better  
Than to come to a place so sunny  
and fair,

Where oil wells are gushing, and busi-  
ness is rushing,  
And things growing better and big-  
ger each day.

So a letter by post I'll send to the  
coast,  
That I'll sell the old farm and be  
on our way

To God's country so fair with its fra-  
grance so rare,  
And get our enjoyment in Torrance  
out there. ACKLEY.

## Herald And Local Realtors Interest Indiana Resident

They not only read The Herald in  
every state of the Union, but many of  
them write and tell about it. Witness  
the letter received from G. H. Green-  
wood of Washington, Ind., by H. A.  
Treadwell, Torrance realtor.

Writes the Indiana man: "I get The  
Torrance Herald—I see we will get it  
twice a week. I am much pleased  
with the paper. We always look to  
see if we can find your name in it.  
"I would like to see the place and  
you folks for I think you are a live  
wire."

That goes to prove that the secre-  
tary of the Torrance District Real  
Estate board does a little boosting for  
Torrance on his own hook. Good  
work, "Tread."
